

THE SUREST WAY TO MAKE YOUR DREAMS COME TRUE IS TO LIVE THEM

- Roy T. Bennett -

Message from the Executive Director
Hello Everyone,

I'm proud to be writing you for the first time as the new executive director of this fine Chamber. I wanted to take a minute to introduce myself, and also talk to you about some of my plans.

For those of you who don't know me, I'm the Marketing Manager of WESTARM Physical Therapy and Home Health and for the last year, I held a position on our Chamber Board of Directors. Throughout the last year, I've thoroughly enjoyed my time on the board and feel I've learned a lot about Plum and the businesses within it. There is still a lot to learn so I hope to talk personally with all of you to find out more. The more I can learn about your businesses the more effective I can be as your Director.

As the Director I plan to do everything within my power to help all of your businesses' visibility grow in Plum. We have a lot of fun activities planned and our social media platforms will only get busier. I plan to roll out an Instagram soon so keep an eye out for that and feel free to like, share, and interact with us! We have some really fun events coming back this year like the Cash Bash and a scavenger hunt, but look out for some new events as well.

In closing, I would like to encourage all of you to follow our social media for open office hours. I will be posting them on our Facebook page. Feel free to stop down and chat with me or call the chamber phone anytime. My purpose is to help each and every one of you grow your business, and I couldn't be more excited about the chance to do so this year. If you have any questions or would just like to chat call 412-798-2300 or email me at info@plumchamber.com.
