## MESSAGE

from the President

Thank you all who participated, donated, sponsored, volunteered and bought tickets for the Cash Bash! It was a very successful night as we got to learn about local businesses, see some performances as well as raised money! Congratulations to all who won either a cash prize or one of our joker's wild prizes!

Because of all the support we got for the cash bash, we are able to offer scholarships to Plum Seniors to help them in their journey to be the future of our business world! If you have a senior, remember the deadline is 4/17/21 to apply. The application is on the website!

Good news is starting to come through as restrictions are being eased up little by little! I know that I get to go to my mom's room in the nursing home today for the first time in 368 days!!!! Hopefully this means that we will be able to start doing more and more in person networking!

As life begins to return to normal, please keep the other businesses in Plum in mind! Give them a chance to give you a quote, buy something to support them or recommend them to a friend or family member.

Don't forget our two events this month! Both have a virtual option!  
We hope to see you there!

Here's to longer days and beautiful weather!!!  
See you soon!

Mary Beth,
