Message
from Past Chairperson

Farewell, but not goodbye!

As I write this message, I do so as the outgoing Chairperson. My tenure in this position has been such a wonderful experience. I've savored this time through many excellent events, built a number of relationships, and done much for the community from which I hail.

While not always easy or with a clear path ahead, I along with the Board of Directors have found ways to stay the course and continue to serve the businesses, community, and residents of Plum. I must say that through it all, I've had fun. When most people think of serving in a civic organization or volunteering in general, the idea of fun, laughter, or enjoyment isn't always what comes to mind, but believe it or not, much of my time with the Plum Chamber of Commerce has contained just that.

Awarding high school seniors scholarships, bringing in hundreds of kiddos to touch trucks, hosting events like murder mysteries, cash bashes, and more to bring together all corners of the community are just a few of the projects which I can call my labors of love! Forging relationships with new and existing businesses, our Borough management, the council, first responders, school district, and other local authorities have also proven to enrich our position in the community.

I'm not going far, just clearing the way for our incoming Chairperson, Amy Smith to bring her fresh ideas and direction to our Chamber. It is with the constant evolution of new and energetic leaders that we will continue to serve, educate, and support our great community.

Cheers to the New Year and thank you all for your well wishes.

Take Care,

ANNA NESBIT

Message
from the new Chairperson

Welcome to January!

I'm incredibly excited for a new year with new opportunities, growth and connection. From the moment I joined the chamber I've felt the friendly tug to do more, be a part of more, and what this really translates to in the end is growth. Growth as a business owner and growth as a person. Each commitment fulfilled has brought more unintended benefit than the last, and I know that Serving our Chamber as Chairmen of the Board will be no different.

I take the position entrusted to me very seriously and view it as an honor! Our past Chairmen, Anna Nesbit, has set the bar high. I thank her for her dedication to our board and her hard work paving the standard that we will continue to strive for in our commitments to our Chamber. Her belief in our success in supporting our community while growing our businesses is contagious and we won't let her down! I know with her support this year we are sure to be a success.

Cheers to a fantastic year ahead,

AMY SMITH
Chairperson
